

Video - Responding to Submissions from Conditions

Responding to Submissions from Conditions

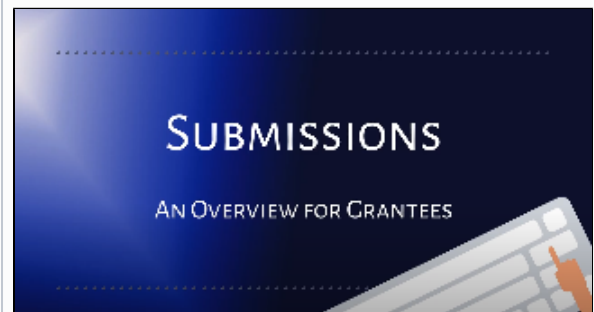

The purpose of this video is to show HRSA grantees how to respond to a submission that resulted from a condition on their Notice of Award. We will walk through the steps of reviewing the submission in the EHBs and show how to find the details of the condition and NoA that triggered the submission.

This Video Walks Through:

- How to respond to a submission that resulted from a condition on the NoA
- How to review the submission
- How to find details about the condition and NoA
